EDUCATION: Rutgers School of Arts and Science, Rutgers University, New Brunswick, NJ

May 2017

Major: Economics

Minor(s): Entrepreneurship and Business Administration

GPA: 3.2

PROFESSIONAL PROFILE

I have worked in multiple industries ranging from medical facilities to customer service fields providing me with a wide range of experiences in everything from managing businesses to assisting with sales and marketing. I have performed multiple types of analysis related to monitoring prices, tracking sales data, forecasting sales growth, and managing budgets. I have been actively involved in leading large teams of greater than 20 individuals. My large range of experiences make me a great candidate because they not only provide me with multiple insights, but also the ability to improvise and adapt to almost any situation.

WORK EXPERIENCE

CIRCLE CONVENIENCE; Irvington, NJ

09/2015 – Present

Manager

- Communicated with over 100 customers on a daily basis to support them with transactions, recommendations, and product information
- Managed inventory efficiently by tracking sales of various items, taking stock of items remaining, and reordering items from suppliers
- Analyzed local pricing trends and adjusted prices accordingly for sales promotions, daily prices, and to increase inventory turnover
- Increased store revenue by \$100 a month by increasing and lowering prices on select items by small amounts based on pricing trends

SMARTLINX SOLUTIONS; Edison, NJ
